

SNAKE RIVER TINY HOMES

YOUR HOME. YOUR NEXT CHAPTER.

Shop from Anywhere. Buy with Confidence.

Professionally manufactured park model tiny homes.
Personal guidance from your first question to delivery coordination.

Rigby, Idaho | Serving buyers throughout the continental United States

A personal connection.

Shop remotely. Get to know the people helping you bring it home.

Porter and Debbie Talbot, founders

We founded Snake River Tiny Homes in Rigby, Idaho, in 2022 to help people explore a simpler way to live. As a family-owned dealership, we offer personal guidance, clear information, and a buying experience you can begin from home.

Your next chapter starts here.

Whether you are downsizing, creating a retreat, or hoping to live near family, we help you explore the possibilities at your own pace.

Browse photos and videos, save your estimate, and talk with us by phone or video. Distance does not have to mean doing it alone.

Find your fit.

Three park model designs. A home that reflects how you want to live.

OUR MOST POPULAR MODEL

The Trailblazer

A luxury park model with all-wood interiors, a full kitchen, a comfortable bedroom, and an optional sleeping loft. Explore available porch and finish options.

1 bedroom | 1 bathroom

Explore Trailblazer >

ROOM FOR A SECOND BEDROOM

The Outpost

Two bedrooms, one bathroom, and an optional loft. Full-size appliances and an open living and kitchen area make room for everyday life and visiting family.

2 bedrooms | 1 bathroom

Explore Outpost >

COMPACT AND FLEXIBLE

The Scout

A studio with a sleeping loft, full bathroom, and a 6-foot covered porch. A flexible design for a guest space, retreat, office, or rental where locally permitted.

Studio + loft | 1 bathroom

Buy with confidence.

Understand your home, your price, and the people behind your purchase.

A company you can know

BBB-accredited with an A+ rating. Family-owned, with personal buying assistance.

Professionally manufactured

NOAH+ certification is standard. A one-year manufacturer's warranty is included, subject to its terms.

Fully equipped home pricing

Standard heating and cooling, plumbing, electrical systems, water heater, kitchen appliances, and a finished bathroom.

Plan for the whole project

Confirm taxes, transportation, permits, site work, utility connections, foundation, skirting, and installation separately.

**“Our manufacturer builds your house.
We help you bring it home.”**

“We couldn’t have been more pleased and impressed with the service and communication from Snake River Tiny Homes! Porter helped us find the perfect option for our needs and budget.”

Elissa Turpin, Idaho

Optional upgrades are additional. Project costs outside the home price are excluded unless listed in your written proposal. Certification does not establish local placement or residential-use approval.

Bring it home.

A clear path from your estimate to your next chapter.

01 **Review your estimate**

Discuss your model, selections, questions, and total project budget.

02 **Confirm your placement plan**

Check local requirements, property suitability, access, utilities, and setup.

03 **Finalize the details**

Review final selections, pricing, purchase terms, warranty, and timeline.

04 **Coordinate delivery**

We help coordinate transportation. Arrange site preparation and setup separately.

Let's review your estimate together.
